

## Academic Fellowship Trained Otologist/Neurotologist Opportunity

The Department of Otolaryngology at University Hospitals (UH) Cleveland Medical Center is seeking a full time BC/BE **Otologist/Neuro-otologist** to join the full time faculty. As part of our affiliation, UH physicians serve as faculty of Case Western Reserve University School of Medicine. The rapidly growing Division currently has three providers and would like to expand with the addition of a faculty member at the level of assistant, associate or full professor. The candidate should possess a strong commitment to both clinical practice, as well as research and resident education.

This is an opportunity to join a top 20 ENT department in US News, currently consisting of 60 providers, with 16 audiologists. 7 PhD faculty focused solely on hearing research with significant NIH grant funding. The Department has robust clinical, training, and research programs at multiple sites. Opportunities to participate in a busy, mature cochlear implant program, high volume complex neuro-otology, and chronic ear disease are available at tertiary academic and regional locations throughout Northeastern Ohio through the University Hospitals Healthcare System. The System's 1032-bed, tertiary medical center, University Hospitals, is an affiliate of Case Western Reserve University. Included in UH are University Hospitals Rainbow Babies & Children's Hospital, among the nation's best children's hospitals; University Hospitals Seidman Cancer Center, part of National Cancer Institute-designated Case Comprehensive Cancer Center at Case Western Reserve University and University Hospitals MacDonald Women's Hospital, Ohio's only hospital for women. The Department partners with UH in fulfilling our mission: To Heal. To Teach. To Discover.

We offer a comprehensive compensation package and excellent benefits including CME funding, paid vacation and educational time, medical/vision. University Hospitals is proud to be an equal opportunity employer.

Candidates should forward a current CV to: [maroun.semaan@uhhospitals.org](mailto:maroun.semaan@uhhospitals.org)

Candidates may also mail a current CV to: Maroun T. Semaan, MD, FACS
