

JOIN OUR FAMILY

ENT and Allergy Associates, LLP is currently seeking full time Otolologist/Neurotologist to join their roster of world-class subspecialists.

This opportunity includes:

- A partnership model designed to provide maximum income supported by our operational efficiencies, high rates and better billing and collection systems.
- Superior compensation and transparent financials, with a highly competitive benefit package.
- A governance structure where physicians have a voice.
- A built-in referral base ensuring a rapid ramp-up and practice growth trajectory.
- Brand new clinical offices with all the latest technology.
- Fellow physicians who understand the value of camaraderie and treat you like an equal from day one.
- A well-traveled road to partnership without buy-ins, buy-outs, seniority or special deals; and
- A group of physicians who understand that there is more to life than just practicing medicine.

This individual will be a part of an established otolaryngology practice and be an integral member of a multidisciplinary team in a world-renowned private practice setting.

Requirements:

- Candidate must be an MD/DO (or equivalent degree) who is board certified/eligible in Otolaryngology and has completed fellowship training in Otology/Neurotology.
- Individuals from diverse backgrounds are encouraged to apply.

ENT and Allergy Associates consists of over 220 physicians practicing out of 44 state-of-the art clinical locations throughout New York and New Jersey. The practice offers those coming out of Fellowship programs the ideal situation to maximize their contribution to patient care and sets them on a direct path to early and continued success.

Candidates interested in a career working within a dynamic and stimulating private practice setting are encouraged to apply with CV and letter of interest.
