**About Us**

- Penn State Health is a multi-hospital health system serving patients and communities across 29 counties of Pennsylvania. Its mission is to continually improve the health and well-being of the people of Pennsylvania, and beyond.
- The system includes Penn State Health Milton S. Hershey Medical Center, Penn State Health Children's Hospital, and Penn State Cancer Institute based in Hershey, Pa.; Penn State Health Hampden Medical Center in Enola, Pa.; Penn State Health Holy Spirit Medical Center in Camp Hill, Pa.; Penn State Health St. Joseph Medical Center in Reading, Pa.; Penn State Health Lancaster Medical Center in Lancaster, Pa.

- In addition, Penn State Health has 225 practices in 90 unique outpatient locations. Penn State Health employs more than 17,500 people, including 2,400 physicians and direct care providers.

## Community

- Hershey is a suburban community in a metropolitan area and is one of the fastest growing regions in the state
- The area offers excellent public schools with many ranking in the top 100 in the state.
- Offering a vibrant urban area surrounded by small town rural communities which affords exceptional cultural opportunities including the Harrisburg Symphony, museums, Jubilee Day (oldest 1 day street fair on the east coast), farmer's markets and some of the finest dining in the region.
- For the outdoors enthusiast, we have ample opportunities for hiking, biking, rowing, skiing, and hunting. For sports lovers, we are home to the American Hockey League's Hershey Bears, the Washington Nationals AA Baseball's Harrisburg Senators, and the Williams Grove Speedway.
- South Central Pennsylvania is an exceptional combination of rural, suburban, and city living is within a 2-hour drive to weekend destinations such as the Poconos's, Philadelphia, Washington DC, Annapolis, and Baltimore, and only a 3-hour drive from New York City, Pittsburgh, and the eastern shore.
